DAUGAVPILS FORTRESS

An aerial photograph of the Daugavpils Fortress Bastion 7. The image shows a large, green, grassy fortification structure with stone walls. Inside the fortification, there are several large, multi-story buildings with blue roofs and light-colored facades. The surrounding area includes trees, a road, and other buildings. The sky is clear and blue.

Events

A group of people, mostly young adults, are seated on wooden pallets in a circular brick fortress. They are facing a large projection screen at the front of the room. The screen displays a blue-tinted image, possibly a historical document or a map. A person is standing near the screen, possibly presenting. The walls are made of light-colored bricks, and there are some small windows or openings. The lighting is warm and focused on the screen and the audience.
